Parents invited to information sessions about special education

The SCDSB is hosting a series of information sessions for parents and guardians to learn about special education in the SCDSB, and how to support students with special education needs.

Dec. 18

Identification, Placement and Review Committee (IPRC) Information for Families

Jan. 22

Assessments in Special Education: Psych Ed and Other Assessments

Feb. 19

Transition Planning Grade 8 to 9

March 19

Accessing Supports in the Community

April 16

Understanding Alternative/Non-Academic IEP Goals

All sessions take place from 6 to 7 p.m. at the SCDSB Education Centre, located at 1170 Highway 26 in Midhurst. No registration required.

OHIP+ provides free prescription drug coverage for children

Beginning Jan. 1, 2018, the province will provide free prescription drug coverage for children and youth aged 24 and under, regardless of family income. Under OHIP+, Ontario children and youth will have access to over 4,400 medications and other drug products. Enrolment in OHIP+ will be automatic, based on age. There are no upfront costs, no co-payment and no annual deductible. Those who are eligible for OHIP+ will only need their health card number and a valid prescription from their doctor or nurse practitioner when they visit their pharmacist. For more information, visit: www.ontario.ca/page/learn-about-ohip-plus.

CPS / MES Food Orders

Just a reminder that all food orders will be sent out the third week of every month. Online payments will start Sunday and end on Wednesday. We will send an email reminder to everyone.

School playgrounds are closed for the winter

Every winter, school playground structures are closed. Students are made aware of this during school hours through announcements and staff reminders during breaks. This may not be well known throughout the community despite signs indicating that playground structures are a winter hazard and are closed. The Canadian Standards Association Regulations make recommendations for the depth of ground cover required to minimize injuries (eg. sand, pea gravel or wood chips). These surfaces cannot be maintained when the ground freezes. Injuries from falling would be more significant on frozen ground. We strongly recommend that you do not allow your children to play on any structures while the ground is frozen.

Land/territory acknowledgement introduced for SCDSB meetings, events and schools

Over the past few months, the SCDSB has worked with Indigenous partners, local elders and the First Nations Education Advisory Committee to develop a land/territory acknowledgement. A land/territory acknowledgement is an act of respect and reconciliation, based on the First Nations' tradition of acknowledging the land of others when they were guests in that territory. The statements will be used at SCDSB meetings and significant events, and daily in all schools to respectfully acknowledge the Indigenous people of this territory, their sharing of the territory and the benefits we have received, as settlers, from that sharing.
